

**CITY OF ALHAMBRA
AGENDA REPORT****CITY MANAGER APPROVAL:** JB**DATE:** March 26, 2018**TO:** Honorable Mayor and Members of the City Council**SUBMITTED BY:** Victoria Rocha, Management Analyst VR**SUBJECT:** **RING REBATE PROGRAM FOR HOME SECURITY****RECOMMENDATION:**

Staff recommends that the City Council approve an allocation of \$10,000 to support a rebate program for homeowners toward the purchase of a Ring Video Doorbell or Security Camera, authorize staff to pursue a partnership agreement with Ring to establish and administer said rebate program; and direct staff to undertake the steps necessary to finalize Council's actions.

FACTS:

1. As crime rates, particularly burglary and theft, have risen throughout the San Gabriel Valley, staff is proposing a partnership with Ring, a home security company specializing in doorbell and surveillance cameras, to implement a rebate program for Alhambra residents. The City would offer a \$50 subsidy, which Ring would match with a \$50 discount, toward one Ring Home Security product per household from the approved list of items, resulting in a \$100 savings per item. This allocation will support 200 households in purchasing a Ring product.
2. All Ring Home Security Products enable residents to receive instant alerts on their mobile devices or PCs when the doorbell is pressed or the built-in motion sensor is triggered. The resident then has the capability to see, hear and speak with visitors.
3. The Ring program will debut at the Emergency Preparedness Fair on Sunday, April 8, 2018. Residents in attendance will be able to purchase a product using the rebate program. A utility bill and government-issued I.D. is needed to confirm proof of residency.
4. The rebate program will be available to Alhambra residents on a first-come, first-served basis starting April 8, 2018. Residents can email ring@cityofalhambra.org for more information.
